

# Lighthouse Community Public Schools proudly presents

## an exclusive tour of the acclaimed Oliver Ranch

Saturday, April 30, 2022

9:00 AM – 3:00 PM Geyserville, CA

---

Join us for this unique opportunity to connect, explore, and celebrate nature, art, wine, & epicurean delights while supporting Lighthouse students.

---

Located in the heart of Sonoma County, 70 miles north of San Francisco, the Oliver Ranch is home to 18 remarkable site-specific art installations commissioned by the Oliver family.

While president of the board at SFMOMA, Steve Oliver was frequently approached to give tours of his property. Realizing this was a fundraising tool that could benefit non-profits, the Olivers decided to make tours available to non-profit organizations who could then offer the tour as a fundraiser.

Over the years, acclaimed artists have created works that are enhanced by Oliver Ranch's natural beauty. Meditatively enchanting, Oliver Ranch provides an immersive experience that is truly transformative.

All funds raised by this tour will support Lighthouse Community Public School high school students who are participating in Global Glimpse, an international program focused on service learning, cultural immersion, and leadership development.

**Reserve your space for \$150 - 250 per person (whatever amount feels right to you)**

The day includes:

- Continental breakfast at Pech Merle tasting room
- Transportation from Geyserville to and from Oliver Ranch (a 10 minute drive)
- Two-hour docent-led tour of Oliver Ranch
- Delectable lunch by Chef Charlie Vollmar of Epicurean Exchange
- Pech Merle wine tasting

We will follow all COVID health and safety guidelines as needed.

**Please note that the tour is a 2.5 mile walk on uneven ground.**
